## Yangzhou Bright Solar Solutions Co., Ltd.

### Industrial, Design Solutions & Original Supplier

**Dear Mr. Purchasing Manager,**

We would introduce ourselves as industrial, Design Solutions & Original Supplier who have been specializing in Solar Street Lights & Solar Home System more than 12 years.

#### Company Organization:

#### Overseas Exploration and Popularity:

We have been successfully selling our solar street lights, LED street lights, high mast, solar panels, solar battery, home solar lighting system, etc, to overseas markets over 114 countries particularly in Asia, North America, Africa. OEM/ODM is available.

#### For The Future:

With experienced designing ability, advanced manufacturing & testing equipment, our group are growing better and better. We hope cooperate with more partners and solar distributors to develop more lighting projects to create prosperous win-win partnerships.

#### Our Advantage than other Suppliers:

- Certificated By CE, IEC, TUV, RoHS, FCC, SONCAP, SASO, CCC, ISO9001:2000, etc.
- Designing Solutions Ability and High Producing Skilled Workers.
- Available Quality, Competitive Price, Fast Delivery, Best Service.
- As A Result of Powerful Solar Lighting and Healthy Supply Chain Maintenance at our end we are in a position to provide the original price and balance the top quality on your request at rather favorable condition.
- Installation Engineers Service For Big Customers

## Our Competitive Products:

1. Solar Street Lights & LED Street Lighting 15W—150W;
2. 3-12M Street Light Pole;
3. 15-40M High Mast
4. Solar Garden Lights & Solar Landscape Lights 5W—30W;
5. Solar Battery: 4.5Ah—250Ah/12V, 200Ah—3000Ah/2V;
6. Solar Panels & Solar Modules 5W—360W Mono & Poly ;
7. Solar Controllers: 5A-60A/12V Or 24V Or 48V IP 65 IP68 Rating;
8. Solar Home Lighting System/Kits : 5W—5000W With Lighting + Fan + TV + Fridge + USB Charging Phone Function/AC or DC Power;

## Quotation- Technical Specifications---300W Solar Panel (Mono)

Product Name:		300Watts Solar Panel	
Model Number:	BR-M300W （6*12=72 Cells）		
Standard:	TUV,IEC,CE & EN,ROHS,ISO9001,SONCAP,SASO,PVOC		
Place of Origin:	China		
Solar cell spec:	156*156 Mono crystalline silicon solar cells		
Specifications:	PV module with 300W maximum power		
Max. system voltage:	1000V DC		
Power tolerance:	0%-3%		
Surface max. load capacity:	70m/S(200KG/sq.m)		
Dimensions:	1950mm*992mm*45mm		
Weight:	20.9kg		
CBM:	0.065		
Electrical characteristics:		Photo	
Open circuit voltage(V):	42.60V		
Short circuit current(A):	9.15A		
Max. power voltage(V):	35.80V		
Max. power current(A):	8.83A		
Cell efficiency(%):	≥17.7%		
Module efficiency(%):	≥15.8%		
FF(%):	70-72%		
Conditions (STD):			
Irradiance:	1000W/M2		
Temperature:	25°C		
Absolute maximum rating:			
Operating temperature:	-40°C to +85°C		
Storage temperature:	-40°C to +85°C		
Packing:	616PCS/40'GP		
Junction box	TUV Certified, MC4 Connector, Water-proof.		
Glass	High-Transmission, Low iron tempered glass.		
Limited Warranty	Workmanship for 10 years, 90% of minimum power output over 10 years,80% over 25 years. (Lifespan:20-25 Years) High reliability with guaranteed +3% power output tolerance		
Quotation Validity:	15 Days After Mail Date.
